Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: claims 35-62 have been cancelled since they were withdrawn in the response to the election/restriction mailed on 12-18-01.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: the limitations "...wherein before the at least one blood vessel is opened, the distance between the trachea and the at least one blood vessel is increased and wherein the body of the slaughter animal is repositioned from a position below the neck to a position above the neck either before or after opening of the at least one blood vessel in the neck..." in claim 9, "...wherein the neck comprises a trachea and wherein the distance between the trachea and the at least one blood vessel is increased before the at least one blood vessel is opened..." in claim 64 and "...a separating device adapted to increase the distance between the trachea of the slaughter animal and the at least one blood vessel..." in claim 66 are all not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
